SUPER CARRY

Way of Life!

Power, now in your hands.

The all-new Suzuki Super Carry is the best partner for all your business needs. Its power comes from a robust engine with superior fuel economy. A range of features such as generous load space, durability and reliability combined with a functional cabin make Super Carry the new power player on the roads.

Power in various forms

The power of convenience.

The real power performer.

DDiS
E08A diesel engine

- 0.8 DDiS**
The newly developed E08A 0.8-litre diesel engine provides great performance with excellent fuel efficiency in a lightweight design. Featuring the turbocharger, it delivers outstanding power in acceleration, even at low engine speeds.
- G12B 1.2-litre petrol engine**
The 1.2-litre petrol engine combines dynamism with high fuel performance which contributes to the driver's business needs.

The power to master any road.
